

TITAN FEVER SHOW CHOIR

The award-winning show choir at Glenwood High School

Glenwood Choral Boosters President, Katie Graue
Titan Fever Director, Nick Brockamp

Dear Friends of Titan Fever Show Choir:

For students, the Titan Fever Show Choir is much more than music, song, and dance. It's truly their preeminent high school experience. The marathon rehearsals, concerts, road trips, and competitions represent friendship and heartache, hard work and anticipation, joy and defeat.

In 2022, the Glenwood Choral Boosters want to give Titan Fever an opportunity to experience a "normal" competitive season, including a much-anticipated trip to perform on the Grand Ole Opry stage at Show Choir Nationals in Nashville, Tennessee.

As you can imagine, many of our fundraising efforts have been cancelled by the pandemic. The choral boosters, now more than ever, plead for the generous support of our community to put the Titan Fever Show Choir on the competition stage.

Bringing us much pride, the nationally-ranked Titan Fever Show Choir has won many grand champion awards over the last decade, including National Grand Champion show choir and National Grand Champion combo band. After more than a year of cancellations, postponements, hybrid-learning, and quarantines, our show choir and combo band are excited to return to live competitions.

The Titan Fever Show Choir relies upon fundraisers and sponsorships to pay for costumes, dance shoes, staging, music, transportation, meals, hotel rooms, and more. In short, we can't perform without you—the community.

Please consider sponsoring our show choir's 2022 competition season. **With your help, we will be able to offer Glenwood students some important musical performance opportunities during this most difficult time.**

Most sincere thanks,

Kurt and Kristy Cameron, THE EVENT Chairs, Glenwood Choral Boosters
